

Probiotic Booster and Immune Support

Livaux®, a food quality prebiotic derived from the New Zealand gold kiwi fruit, is supported by pre-clinical and clinical data. Livaux has a unique ability to increase the ratio of *F. prau* (*Faecalibacterium prausnitzii*), which has multiple beneficial effects including anti-inflammatory and immune enhancing activities. Reduced levels of *F. prau* are associated with inflammatory and immune conditions, allergies and other digestive issues. Since *F. prau* is highly anaerobic, it cannot be replenished as a probiotic, making Livaux a unique solution to naturally boost these levels.

PRODUCT FACTS:

Advantages:

- Increases number of *F. prau*
- Supports healthy gut modulation
- Gently facilitates bowel regularity
- Ingredient derived from whole golden kiwi fruit
- Natural source of fiber, vitamin C, and polyphenolics
- Safe, no side effects, natural, clean label ingredient
- Excellent organoleptic properties in taste, aroma, texture, and mouth feel
- Dose: 600 mg/day

Applications:

- Digestive health
- Immune
- Mild, neutral and slightly sweet flavor
- Pairing with probiotics
- Fruit, veggie, and green food blends
- Whole food vitamin and mineral complexes
- Enzyme formulations
- Fiber products
- Super-fruit brands

Certifications:
